## WINTER HUNT

DAYS	SPECIES	GUIDES	PRICE	LICENSES	TROPHY FEE
7 days	Wolf, Coyote, Lynx	2:1	\$5,200.00	\$150.00	Incl.

\* These hunts are typically meat hunts.

There is a daily charge of \$200.00 for a non-hunter.

All above prices for Autumn Hunts *include* 1 night stay in motel in Fort St. John , BC upon arrival which is 2 days prior to hunt start day.

When hunting specific Big Game such as Moose or Elk , the hunt is considered **over and completed** when Primary Animal is harvested. Other arrangements must be made when booking to continue hunting for Wolf .

Outfitter and family also bow hunt .

In Canada it is not legal to use another persons rifle without proper paperwork and approvals. **All Bowhunters** must fill out the proper paperwork in advance and be approved by **RCMP** before using Guides rifle. In addition there is a fee for the rifle .

Archery booking preference is given to Traditional Archers .

### **Satisfaction Policy**

If any hunters are not presented with a shot at a legal animal , they may enter a draw for a very nominal fee. **At the end of the hunt season we will have one of the hunters draw a name and the winning hunter will return for a hunt on a trophy fee only basis .**

I am confident of getting our hunters an opportunity to harvest an animal and for the hunters to enjoy their stay. As with any Free Range big game hunting , **Hot weather** or other **abnormal weather conditions** may adversely affect the hunt harvest.

### **Wounding Policy**

In the event of a wounded animal , any trophy fee is deemed payable and all attempts will be made to recover the animal. If the wound is deemed marginal by the guide or outfitter the hunt may continue at outfitters discretion . Two wounded animals , the hunt is deemed over regardless of wounds .

All Outfitter decisions are deemed fair and final.
